AD Products Co
4799 W. 150th St.
Cleveland, Ohio 44135
800-325-4935
www.adproductsco.com

ADProductsco.com offers thousands of enclosures from industry leaders such as Adalet, Hammond, Integra and Vynckier - all at unmatched pricing. With a vast array of sizes, styles and materials such as ABS plastic, polycarbonate, fiberglass, aluminum, painted steel and stainless steel - we offer something for every project and budget. We now offer the Premier Series, the newest line of fiberglass enclosures from Adalet. With non-penetrating, interchangeable hardware and unobstructed sidewalls, this family of enclosures provides rugged and reliable performance. The unique panel management system uses all enclosure space, including the inside of the cover!

In addition to enclosures, we offer accessories to complement your enclosure - precision process instrumentation, thermal management and control devices. Needed something yesterday? Most items available for immediate shipment. Custom and modified enclosures are also available.

Founded in 1958, Allied Moulded has 50 years of service molding fiberglass reinforced materials. Allied Moulded is well established within the electrical industry as a quality manufacturer of nonmetallic electrical products. Allied Moulded manufactures a full line of NEMA Type 4X fiberglass enclosures offering all the advantages of non-metallic materials including: increased strength, reduced weight, corrosion resistance, non-conductivity, cost savings and ease of installation. These enclosures have been put to the test in hundreds of demanding applications in dozens of industries worldwide. Our commitment to quality and innovation is well known throughout the electrical industry.

Packaging Solutions for Electronics Equipto Electronics Corporation is a leading innovator and supplier of standard and custom designed packaging for electronics. Some ways the company assists customers include:

- Experienced electronics' packaging design engineers who consult by phone, email and fax at no charge.
- Reproducible engineering drawings delivered electronically.
- Multiple lines - customers can usually find exactly what they need without customization.
- Cabinets that meet earthquake, EMI/RFI, FCC, Mil Std 461,167, 810, 901, TEMPEST, EMP and European EMC requirements.
- Hundreds of accessories in thousands of sizes.
- ISO Certification.
- Express 5-Day Shipping
- Experienced customer service people and factory-trained sales representatives.
